

HELPING HOMELESS FAMILIES ACHIEVE AND SUSTAIN LONG-TERM INDEPENDENCE.

House for Change

The House for Change project is a fundraising effort to benefit Family Promise of Acadiana. It is an award-winning educational project for children to raise awareness of homelessness and raise funds to help homeless families. It is a national campaign that answers the question, "What can I do to help?" and engages youth in a meaningful way.

Family Promise is the only emergency shelter in the Acadiana area providing services to intact families, single parents, and families with teenage sons.

Family Promise's mission is to mobilize the community to help homeless families achieve and sustain their independence. House for Change is a simple project for schools and youth groups to learn the value of helping others who are facing a difficult situation.

How It Works:

- Each student receives a small cardboard house.
- Students may decorate the house with an appropriate theme.
- Students fill the house with loose change for a specified time. One month is suggested. November is a great month to teach children about giving thanks for their blessings, for example.
- At the end of the month, a Family Promise of Acadiana representative will pick up the donation. A photo may be taken to acknowledge the group's participation and to say "thank you" on our website and social media.
- All change donated will go directly to Family Promise of Acadiana to help the families we serve.
